BALTIC STOUT

British-Style Imperial Stout  
ALC. 7.5% VOL

A deep black colour in the glass with an impressive, beige head. A captivating bouquet of chocolate and Turkish coffee. The high percentage of roasted oat and wheat barley results in a very creamy drink - like a mousse au chocolat made from bitter chocolate. Soft, warming, and pleasurable. Perfect in front of the open fire with one's feet up at the end of the day.

Goes well with bitter chocolate, plum cake, cinnamon rolls, grilled banana, pralines
