A surprising, intensive hop bouquet of juicy melons with a hint of pepper awakens the interest. A light amber radiance in the glass with an opulent head and a distinctive body. Pleasurably spicy with a wine-like dryness and a peppery-bitter finish. A unique taste composition and a perfect accompaniment to food.

Complements cheese fondue, fish, turkey, spicy cheese, chili con carne

INGREDIENTS: BREW WATER, BARLEY MALT, WHEAT MALT, DEXTROSE, NATURAL HOPS, YEAST [THE SUGAR IS COMPLETELY FERMENTED DURING BOTTLE CONDITIONING - THE TRADITIONAL METHOD]
